

Application for Patio Accessories

Residents wishing to add accessories to their respective patios must first forward a written request to Winterra Strata Council. Accessories in this context are defined as any item not listed under permissible items under Winterra Strata patio bylaws. Council may request further documentation for proposed accessories before making a final decision. Residents are advised not to make purchase of proposed patio accessories until formal approval has been obtained by Winterra Strata Council.

Name: _____ **Date:** _____
Strata Plan: KAS3521 **Building Address:** 2532 Shoreline Dr **Unit #:** _____
Telephone: _____

Description of accessory (Please include brand & model # if applicable):

Resident's Responsibilities:

1. I agree to comply with all national, provincial and local bylaws that may be applicable.
2. I agree to accept all liabilities associated with this accessory.
3. I agree that approval of the proposed accessory may be contingent to specific rules, and that any infraction of said rules may result in Winterra Strata Council revoking afore mentioned approval
4. I agree that approval of proposed accessory may be limited to certain date ranges in the calendar year
